This	r small	stme	house	, street	Ero	cover	ob, is	buel

Their small stone house, street covered, is built into the book, 2 storior on the south side.

I north under a steep portch roof, the red peline running east-werst. Oblion, it is though by I on the south but has only one window on the north side. A two-story porch is added crubely to the south side.

On the south side.

Materials are original in the main part of their letter house, the old hand split and wide floor boards and the corner chim may in the west room are the real thing.
